

# The Alpha Safe Insider

January 2016 Volume 1 Issue 1

## Inside This Issue:

### The Machine Behind the Product

Ever wondered how our Security Containers are manufactured? In this first issue of The Alpha Safe Insider, we will be taking a closer look at one of the state-of-the-art machines that make up our Security Containers, the Salvagnini, and what it ultimately means to you when you purchase a Security Container from Alpha Safe.

### Insider Tips / DIY Instructions

Have you just received a new Security Container from Alpha Safe and noticed that one of the drawers is asymmetric compared to the others or won't easily close? Have no worries. Nine times out of ten, the drawer just shifted out of place during transit and can be easily fixed in 6 simple steps.

### Employee Spotlight

Have you ever wondered who the men and women were behind the scenes that build our GSA-Approved Class 6 Security Containers? In this issue of The Alpha Safe Insider, we would like to introduce and recognize the man behind the machine, Dewain Brock, Salvagnini Operator.
