

The Alpha Safe Insider

April, 2017 Volume 2 Issue 3

Inside This Issue:

More Than the Product

When you own a GSA-Approved Class 6 Security Container from Alpha Safe, you receive a product that protects our nation's most valuable asset-our secrets. Not only have our products passed the rigorous testing specified by the federal government, but you are receiving the best customer support as well. Click the link below to learn how we provide value-added services, before and after the sale.

Insider Tips / DIY Instructions

As demand for Hard Drive Organizers (HDOs) keeps increasing, we have received a few inquiries on how to operate the lock that comes equipped on the HDO with Lock model (GSA-SBOX-100-L). If you own one of these and are not familiar with its operation, please see the link below for step-by-step instructions that will guide you through the process of changing and dialing your combination.

Employee Spotlight

Have you ever wondered who the men and women were behind the scenes that helped design, build or sell our GSA-Approved Class 6 Security Containers? In this issue of the Alpha Safe Insider, we would like to introduce and recognize Nick Henderson, Design Engineer for Skilcraft LLC. and the contributions that he has made to our company.
