Dear Ms. Levy:

You are receiving this letter because you are a qualified manufacturer of GSA Approved security equipment under one of the following Federal Specifications:

AA-F-358

AA-F-363

AA-C-2859

ISOO Notice 2014-02 requires GSA Approved containers be purchased through GSA Global Supply using the IDIQ contract and the associated National Stock Number.

As of August 1, 2015, the GSA Approval label can only be applied to containers provided through contract with GSA Global Supply unless authorized specifically by GSA. GSA Approval Labels cannot be applied to containers purchased using other methods such as open market purchases or other Non-GSA Government contracts unless specifically authorized by GSA's contracting office in writing. Failure to adhere to this requirement will be considered a failure to comply with the retention of qualification requirements and will result in removal from the Qualified Products List and subsequent cancellation of your GSA contract.

This applies to all containers supplied in accordance with the Federal Specifications identified above.

If you have any questions, please contact me by E:Mail at Christopher.pollock@gsa.gov or by phone at (703) 605-9256.
